Comemore os 13 anos do Letras com muitas playlists

Every time that I look in the mirror
All these lines in my face gettin' clearer
The past is gone
It went by like dusk to dawn
Isn't that the way?
Everybody's got their dues in life to pay

I know, nobody knows
Where it comes and where it goes
I know it's everybody's sin
You got to lose to know how to win

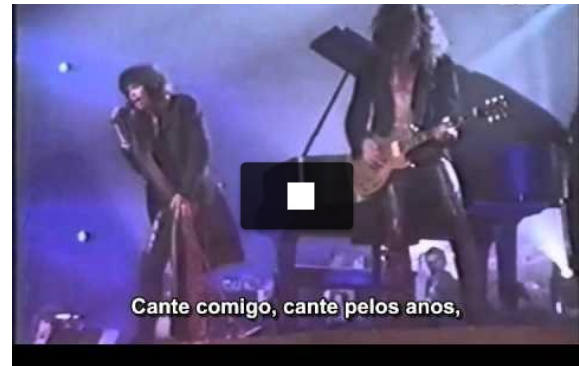

Half my life's in books' written pages
Lived and learned from fools and from sages
You know it's true
All the things you do
Come back to you

Sing with me
Sing for the year
Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you
away

Sing with me
Sing for the year
Sing for the laughter n' sing for the tear
Sing with me
If it's just for today
Maybe tomorrow the good lord will take you
away

Dream on, dream on, dream on

Dream yourself a dream comes true
